HINTS FOR APPLICANTS TO FIRST PRE-UNIVERSITY SECTION

1. We are glad that you desire to join Sri Ramakrishna Vidyashala - a residential college. But life in a residential school is far different from living at home. Here you have to adjust to a community life. Be sure that you will not seek withdrawal due to home sickness or any other reason. Any withdrawal after admission will result in heavy compensation fee.
2. Swamijis (monastic members) of Ramakrishna Order will be incharge of dormitories, rooms and study halls and they will be in charge of the administration of various departments. Highly qualified, experienced and competent lecturers guide the students in academics and other activities. It is customary to have respect, reverence and regard for swamijis, teachers and for all elders. You must realize your responsibility and shape your own future.
3. Vidyashala has a tight routine from 5.00 am to 10.30 pm. It includes physical training, prayers, games and regular classes in addition to compulsory study hours. There will be a number of extra-curricular activities such as Vidyarthi Homa, spiritual retreats, literary and sports activities, religious and national festivities, talents day and annual programmes like College Day, National Youth Day and so on. Vidyashala aims at all-round development and your participation in these activities is compulsory.
4. Apart from regular classes (theory and practical) you get about 3½ hours of study time everyday. You have to plan your studies properly and supplement your study time by making use of your leisure hours, Wednesdays, Sundays and other holidays.
5. Vidyashala provides wholesome vegetarian South Indian food. Breakfast, lunch, evening tiffin and dinner are served every day. Students should not bring in to the campus any non-vegetarian food, cooked food, drink or any junk food.
6. Vidyashala has a campus of 68 acres with 24 playgrounds, stadium, gardens, gymnasium, Knowledge Park, Nature School, swimming pool and so on. Students are expected to make the best use of the facilities and maintain the general cleanliness of the entire campus. They must also take individual and special care of the cleanliness of their rooms, study cubicles, toilets, bathing places and general areas in the premises.
7. Vidyashala stands for discipline. Any act that disturbs the atmosphere of the institution, any behavior which causes pain and suffering to others will be treated as indiscipline. Any gross misbehaviour will result in suspension or expulsion from the institution. Hence students who cannot adjust to community life and find it hard to maintain discipline need not apply. Parental guidance and advice in this regard will be of great help and will be highly appreciated.
